## Hero's Death Blame Placed On Equipment

### McGowan Is Believed Victim of Spark From Engine

Faulty equipment on his gasoline tank truck was blamed by a coroner's jury here for the tragic death of Andrew K. McGowan, 31-year-old Burlingame oil salesman who gave his life to prevent a fire at St. Joseph's Military Academy in Belmont.

The jury's verdict came after testimony was offered that McGowan, on his death bed in a San Mateo hospital, said that he had to leave the truck motor running in order to make a gasoline delivery at the academy April 20. It was during the delivery that McGowan's truck caught on fire, burning him fatally.

The testimony was offered by the brother of the dead man, David McGowan, who gave of his own blood for transfusions in a vain effort to save the young hero's life.

The truckdriver told his brother that the machine's engine was used to operate a fuel pump by means of which the delivery of gasoline was being pumped into the academy tanks.

"He told me he didn't know for sure how the fire started," McGowan testified. "He thought maybe a pipe had broken, or that fumes might have been carried over to the engine. It might have been a spark from the motor or engine. He had to leave the motor running to use the pump."

The same jury brought in a verdict of "unavoidable accident" in the death of Marshall Rex Helmer, killed instantly when his machine was hit by a southbound train at the Rogers street crossing here April 29.

## Widow Given Estate Of Manuel P. Dutra

Value of the estate was given as "over $10,000."

## Talbot's Powder Ads Will Appear In The Tribune

Again this year The Tribune has been selected to carry an intensive advertising campaign for the Talbot Manufacturing Company, featuring Talbot's Ant Powder and Talbot's Fly, Silverfish and other Moth Spray.

The advertising will start the first of May and continue through June, July, and August appearing not only in The Tribune but in other leading dailies in California and Arizona.

Dealers should write direct to the Talbot Manufacturing Co., 461 East Thirty-first street, Los Angeles, for supplies.

## Prevailing Pay On Relief Jobs Ordered Today

Despite the protests of Engineer U. S. Marshall that the move would "sink" the Colma ditch project and perhaps force abandonment of other county WPA projects, the county board of supervisors in recessed session on Monday voted "to pay the prevailing wage scale to the unemployed as paid in San Francisco county."

Engineer Marshall said this would increase laborers' wages from $55 to $60 per month and would result in a substantial decrease of hours for the same wage in the upper pay brackets. Carpenters and masons for example will be paid $85 for 78 hours instead of 120 hours' work.

Marshall said the move promoted "an unhealthy situation."

## Hunter to Address Crossing Conference

Joseph Hunter, member of the California State Railroad Commission, will be the speaker at the bi-monthly meeting of the Peninsula Grade Crossing Conference May 13 at 8 p. m. in the Mountain View City Hall.

The conference will meet with renewed hope of accomplishing its aim of providing rapid transit and reducing the grade crossing toll, according to President C. A. Buck, mayor of Burlingame, who pointed out that since the conference's last meeting the commission had ordered five peninsula crossings closed to the public.

## Nesbit Is Endorsed Alternate Delegate

BURLINGAME, May 6—The county Republican Central Committee, meeting in the city hall last night, voted to endorse Mark Nesbit of Menlo Park as an alternate delegate to the Republican National Convention on the uninstructed delegation.

## MENLO PARK NEWS

The ordinance amending the zoning law of Atherton, voted upon at Tuesday's election, was defeated. Had the ordinance become a law, a large school was to have been established on the Charles Merrill estate on Glenwood avenue.

About half the registered voters came to the polls Tuesday to cast their ballots at the primary election. No interest was taken as there were no contests. The McAdoo ticket easily won in Menlo Park. The Warren ticket carried the day over the Landon group. The Warren uninstructed delegates won throughout the county and state.

Mrs. C. Devol and her daughter, Mrs. Bates, depart tomorrow for New York, the home of Mrs. Bates who has been visiting her mother here for some time. Mrs. Devol will return next month.

An entertainment will be given in Hall of the Nativity May 29. It is to be an elaborate affair as all organizations of the community are behind it and will take part in the big program. There will be songs, recitations and tap dancing galore. The entertainment is to be a big event of the year in Menlo Park.

Roger Reynolds is turning a portion of his nursery into a family picnic grounds. A swimming pool is to be constructed and a dance platform erected. It will be an ideal spot for family gatherings.

Isabelle Weeden Lindquist, past president of Menlo Park American Legion Auxiliary No. 443 was the luncheon guest of Palo Alto unit No. 375 Sunday when the 13th district met in convention at the veterans' hall in Palo Alto. Mrs. Lindquist sang a group of songs and led the joint meeting of the legion and auxiliary in community singing.

Miss Clarissa Ross is living in San Mateo while attending San Mateo Junior College.

The regular annual joint meeting of San Mateo County Councils of the American Legion and Auxiliary will be held in Half Moon Bay Sunday, May 10, at 10 a.m.

Emma Roberta Lindquist received a blue ribbon for her pet bantam, "Dynamite," last Saturday at the Palo Alto pet show.

Mrs. W. Lee Johnson and her baby daughter of Fresno are spending several weeks with Mrs. Johnson's sister and brother-in-law, Mr. and Mrs. Loren Ross of Walnut avenue. Mrs. Johnson is still using crutches as the result of an injury several months ago.

The Native Daughters of the Golden West will hold their birthday dinner next month.

San Mateo County showed itself as the flower county Monday evening when the deputy grand presidents of the Native Daughters of the Golden West held their district meeting in honor of Grand President Anne C. Thuesen. The I. O. O. F. hall in Redwood City was turned into a flower garden. The meeting hall was profusely decorated in blue larkspur, delphinium and white calla lilies in tall blue and white baskets. The blue and white color scheme was also featured in the lace formal gowns of the officers taking part. The banquet tables were in roses of all colors and spring flowers. Fifteen grand officers, three supervising deputies and 40 deputies from all parts of the state were in attendance.

When the grand president was escorted, she was presented with a large bouquet of blue delphinium and white larkspur, with white streamers. Mrs. Marion Reid, president of Bonita Parlor of Redwood City sang a song she composed to the music of "Smiles." The glee club of San Francisco furnished the entertainment during the evening. After the meeting, at which a large class of candidates were initiated, a buffet supper was served. Nearly 200 members of the order were present. The following officers from Menlo Park Parlor took part in the intiation: Mrs. Frances Maloney, Margaret Lintner, Elois Rathje, Mary Fisher and Hester Leach.

At its regular meeting this week at the home of Mrs. Evans Hammond, the Guild of Trinity Episcopal Church made plans for a gathering on the 18th to hear a state officer. Mrs. Bryan Whiting will be hostess.

Latest additions to the Menlo Park-Woodside summer colony are Mr. and Mrs. William Boyd Weir and their son-in-law and daughter, M.. and Mrs. Heber Tilden, who came down this week for the summer months.

Mr. and Mrs. Paul Jordan have moved from Modesto to Menlo Park and have taken up their residence at 729 Menlo avenue. Mr. Jordan is connected with the Menlo Theatre.

Mr. and Mrs. W. A. Smith of San Francisco opened their cottage on Portola road Saturday, and Mr. and Mrs. Thomas Angus have established themselves in their home on McBain avenue for the summer.

Mrs. Alexis Ehrman of Atherton has been appointed to the tea committee assisting with arrangements for observance of National Hospital Day by the Palo Alto Hospital May 12, the date of Florence Nightingale's birthday.

The hospital will hold open house between 2 and 4 o'clock on that day, followed by a garden tea. Members of the hospital auxiliary are cooperating with the management and nursing staff in arranging the event, to which the public is invited.

Mrs. J. L. Ewers and her staff of officers were nominated for another term at the meeting of the Menlo Park Woman's Club held Monday night at the home of Mrs. Fannie I. Kurtz.

The other incumbent officers are: Vice presidents, Mrs. L. E. Harris and Mrs. J. B. Glunz; secretary, Mrs. J. T. Cooper; treasurer, Mrs. Marion Silva, and auditor, Mrs. Reginald Milward.

Plans were made for the annual picnic, to be held the second Monday in June, and delegates to the Sacramento meeting of the California Federation of Women's Clubs in May were selected.

Mrs. Edward Gardiner reported the California Congress of Parents and Teachers, held last week in San Jose, and Mrs. J. William Ryan told of her trip to Death Valley and Boulder Dam.

## Ide's Perfected For Housewives Use in Baking

The reason so many people are surprised to hear about baking with mayonnaise is that until Ide's was especially perfected for this purpose mayonnaise was confined to use for salads. But now the complete emulsification of Ide's Mayonnaise — the result of two years research by food experts — makes it ideal for baking. There is no separation of ingredients to give foods an oily taste.

Housewives find that cakes, pie crusts, hot breads are rich in flavor when baked with Ide's Mayonnaise instead of the usual shortening, milk, eggs and butter. High egg content and extra richness—three times richer than ordinary mayonnaise—make Ide's adaptable to baking purposes. It's economical, too, as it takes only half as much Ide's mayonnaise as the usual shortening.

The smooth fine texture resulting from this new process and formula makes Ide's better than ever for salads. Absence of spices particularly adapts it to use for fruit salads as it brings out the full flavor of the fruit. Doctors and nurses find that foods baked with Ide's Mayonnaise are easier to digest than if ordinary shortening were used. This is because Ide's is free from that tallowy substance known as "stearine"—the fat which makes other baked foods hard for many people to digest. Guests and family alike can now enjoy eating rich baked foods. Here is a popular recipe for:

**IDE'S APPLE SAUCE CAKE**

½ cup Ide's Mayonnaise
1½ cup brown sugar (white may be used)
1 cup thick apple sauce
1 teaspoon soda
1 teaspoon cinnamon
½ teaspoon cloves
1½ to 2 cups flour

Cream Ide's Mayonnaise and sugar together. Dissolve soda in apple sauce and add. Sift salt, cinnamon and clove with part of the flour and add a little at a time. Add enough flour to make a fairly stiff batter (the amount depends on the thickness of the apple sauce). Pour into a greased loaf pan and bake in moderate oven (350 degrees F.) 50 to 60 minutes. 1 cup of raisins and 1 cup of walnuts may be added to the batter if desired.

## BoardReverses Transit Stand After Warning

### Mayor McCarthy Tells Needs of 35,000 Peninsulans

**In a reversal of its stand of a week ago, the San Mateo County Board of Supervisors decided Monday to appeal the verdict of the California Railroad Commission failing to set up safeguards against possible rail discrimination in favor of the Eastbay which the Oakland bay bridge may bring about.**

The action came after Mayor Paul McCarthy, as an individual taxpayer and commuter and not as an official representative of Redwood City, appeared before the supervisors to point out the loss of legal rights which the county will suffer if it does not appeal the ruling before May 11.

McCarthy told of the seriousness of the problem by pointing to the fact that some 35,000 commuters daily leave the peninsula for San Francisco and that these residents should be retained as assets by assuring them rapid transit service.

**LARGE MONEY WORTH**

He said that if the 35,000 commuters spent but $1,000 per year, which he considered a conservative figure, they represented $35,000,000.

Loss of any large portion of this commuter population would be a blow to property values on the peninsula, McCarthy said.

McCarthy said that the Eastbay would be at a possible advantage in the fact that the Key Route and Interurban Electric Railway Company would serve patrons of its service by feeder lines over bus or trolley routes.

This same service could be demanded in time by the peninsula from the Southern Pacific if the state railroad body conditions the certificate given to the Interurban line, a Southern Pacific subsidiary, McCarthy said.

Under present terms of the decision no conditions have been set up and the peninsula could not in the future go to the railroad commission and charge that the Southern Pacific was, through its subsidiary, discriminating in favor of the Eastbay in the matter of fares, services and facilities, McCarthy said.

## San Mateo Resident 46 Years Is Taken

SAN MATEO, May 4—William Henry Dingwell, 77, for 46 years a resident of San Mateo, died late Saturday from a lingering illness at his San Mateo home. He was a member of the San Mateo carpenters' union.

A native of Canada, Mr. Dingwell came to the United States in 1888 and moved to San Mafeo in 1890. He is survived by two daughters, Mrs. Elizabeth Malim of San Francisco, and Mrs. Hazel Moffatt of Honolulu. Funeral services were held today at the George Sneider mortuary. Interment was at St. John's Cemetery here.

## Season's First Grass Fire Calls Department

The first grass fire of the season called out Chief Mark Ryan and his local fire department at 3:55 p. m. Monday. The blaze, which was at Brewster and El Camino Real, was extinguished before any damage was done.

The department was called again by still alarm at 5:25 p. m. when grease boiled over in an oven of a home at 90 Finger avenue, setting fire to the stove. Here, too, damage was averted by prompt arrival of the firemen.

## Harbor Brings Chemical Firm $10,000 Plant

### Plans for Expansion Told By Company Making Cleaner

Selection of Redwood City for a $10,000 plant, laboratories and offices of the Solvent Compounds Inc., manufacturers of chemical detergent and cleaners for industrial, commercial and domestic uses, was announced today by C. Alex Laird, president.

Work is already underway on the new plant, which will be located facing the Bayshore highway adjacent to the General Petroleum plant at Chestnut street and Bayshore boulevard.

The new industry is to be in full operation by June 1. Four or more persons are to be employed by the firm here in the initial undertaking. The plant will be immediately enlarged if prospects for an increased market are realized.

Laird, who has resided at Emerald Lake for the past five years, said the selection of Redwood City was made because of the prospects of the development of a seaport here, and because of the central location for distribution of the product. The plant is now located at 500 Second street, San Francisco. Sales offices will be maintained at 440 Bryant street, San Francisco.

Laird said that he had been following the local seaport fight and had determined upon this location because of the prospects for its success. He said that the plant's shipments are made in 400-pound drums and that the waterway will be used if wharf facilities are created. Laird said the plant would increase Redwood City's industrial importance.

# Mills Airport Asks Channel

## WarDepartmentUrged To Develop Local Plane Base

Construction of a seaplane channel at Mills Field was urged today by San Francisco officials upon the United States War Department.

Lieut. Col. J. A. Dorst, U. S. district engineer to whom the request was made, announced he would give the proposal his "favorable consideration."

The San Francisco request was presented by E. G. Cahill, manager of utilities, and Captain B. M. Doolin, manager of San Francisco airport.

They urged that the war department construct a seaplane channel approximately a mile long and 800 feet wide in conjunction with the program of enlargement of the airport now in execution.

Such a channel, Cahill and Doolin argued, would provide the most practical base on San Francisco Bay for seaplanes, and would result in the basing at San Francisco airport of transpacific air lines now in operation. Moreover, it was contended, the seaplane channel would be a vital necessity to armed air forces in time of national emergency.

# Autoist Finishes Local Term, Only To Face Another

Having finished a 20-day jail term for drunk driving, Aubrey McMannis, 42, Tuesday upon his release was returned to Berkeley where he was wanted on a drunk charge.

McMannis, who was apprehended here by Patrolman Manfred Walzburg, had been sentenced in Berkeley March 16 to pay a $25 fine or serve 10 days in jail. The sentence was suspended on condition he work five days for the city. When he failed to do the work, a warrant was issued for his arrest and he was being sought when cited on the Bayshore highway heading south, with his luggage in his machine.

# CITY STEPS FOR HARBOR VOTE TAKEN

Setting the bond issue at $266,000, and conditioning the amount so that $66,000 will be canceled when a PWA grant is received, the city council Monday night introduced an ordinance submitting the Redwood City harbor project to the voters for decision June 11.

The ordinance was unanimously introduced upon motion of Councilman Robert Jones, and second of Councilman George McNulty. It will be adopted next Monday night.

The council next adopted an ordinance submitting five charter amendments to the electorate, including one to set up a harbor commission, on the June 11 date. This ordinance was adopted upon motion of Councilman James Eva, seconded by Councilman McNulty.

Redwood City's $200,000 worth of bonds will be used for paying one-half of the cost of dredging, and 55 per cent of the cost of the wharf facilities.

The herring gull, once faced with extinction, has increased its numbers enormously under government protection.

Petrels are known as "Mother Carey's chickens," under which name they have found a place in folk lore.

## Local Residents Suffer Injuries In Car Accident

Three people, two of them Redwood City residents, were injured when their car missed a curve of the Mission San Jose road near Warm Springs Tuesday and were taken to the O'Connor Sanitarium in San Jose for treatment.

Joseph Corbett, about 55, 1203 Hopkins avenue, Redwood City, driver of the machine, and his wife, 52, were cut and bruised. Their daughter-in-law, Mrs. E. J. Corbett, 495 Twelfth avenue, San Francisco, was also hurt. All were released after receiving first aid.

## McGrath Favored By Split Section Of Bourbon Body

Claiming 16 of the Democratic County Central Committee's 28 votes, "one half" of the Bourbon group met in Burlingame's city hall Monday and endorsed candidacies of Congressman John J. McGrath and President Roosevelt, and the Roosevelt-pledged delegation in today's primary election.

Thomas J. Broderick, elected chairman here in the stormy session of two weeks ago when Evans Fletcher walked out after hastily declaring the meeting adjourned, presided. Ten members of the committee were present. Six proxies were claimed.

Fletcher, leader of the other "one half" of the Democrats, claims still to be county head of the party, and announced he would call a meeting in the near future of the central committee.

## Menu Flashes by Joan Andrews

Maytime is strawberry time. These luscious, crimson berries, fragrant and juicy, are abundant now. That you'll have strawberry shortcake, with gobs of whipped cream, goes without saying. To vary the strawberry routine, try hollowing out the center of a large, round sponge cake and filling the hollow with freshly sugared strawberries. Then cover the berries and the cake with a thick coating of vanilla ice cream. Garnish the cake with whole berries.

With or without the berries, Golden State vanilla ice cream is a grand dessert. Serve some tonight. It's a treat the whole family will appreciate. This month Golden State is offering a special ice cream—Lemon Flake—as refreshing a confection as you ever tasted. It has the *real* lemon flavor.

## W. H. THORPE, POLICEMAN, PASSES BAR

### Night School Studies Are Climaxed for Local Officer

Winthrop H. Thorpe, Redwood City police officer and descendant of a distinguished family of lawyers, Monday received word that he had passed the state bar examinations which he took in San Francisco in March.

Thorpe, who lives with his wife and daughter at 269 Fulton street and who has been on the local force more than a decade, studied law in the Sequoia High School Evening Law Class.

Other members of the class included Edward I. McAuliffe, justice of the peace, who passed the state bar two years ago, and Edward Ryan, Menlo Park police judge, who was admitted to practice shortly after the trio completed the four-year course in 1932. Attorney Pierce Coombs had supervision of the class.

Thorpe has no immediate plans for the launching of his law practice, he said, preferring for the present to remain on Police Chief C. L. Collins' staff.

Brazilian government experts are reported to have found oil in unknown quantities in the subsoil of the east central State of Bahia and in the far western territory of Acre.
